Dear Colleagues of the Oncology Community,  
Dear BSMO members,

On behalf of the Institute Jules Bordet and the Belgian Society of Medical Oncology (BSMO) represented by its Breast Cancer Task Force, we are happy to announce that our Annual Symposium will be virtual this year and we would like to take the opportunity to invite you to attend the **“Breast Cancer Debate of the Year” and The “Best of SABCS® 2020” symposia.**

This year, for the Friday evening, we decided to include in the program debates of great interest for clinical practice as well as educational lectures.

The Saturday morning, as usual, will feature the highlights of SABCS®.

The programs of the two events are enclosed and accreditation will be provided.

**Registration is free but mandatory (no deadline to register).**

We think that these symposia will bring very useful information for you, oncologists in practice or in training, and we do hope you will be able to join us.

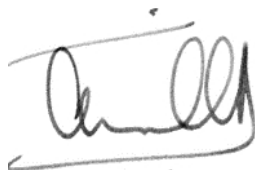

Yours sincerely,
